VOLUME 87 NUMBER 9

FROM THE PASTOR

Greetings Sisters and Brothers in Christ,

Do we ever ask, "How do we go and make disciples of all nations?" It is what Jesus commands the disciples to do in Matthew 28 and we, as Christ's disciples in 2014, are to continue Christ's work as the disciples did. But how do we fulfill this command of Jesus today? Things have changed a great deal since the first century. Some might say it is easier to continue Christ's ministry today because we have communication advancements that allow us to spread God's word with people all over the world. Others might say that those same advancements have made it more difficult because those who would try to separate us from Christ share the same technology. Now I could easily spend a great deal of ink on all the positive and negative changes over that past 2000 years or I could simply say that the same good and evil existed in the first century that existed today. But you see, these apologies for discipleship often become justifications for a lack of discipleship. For example, in the 1960's and '70's, there was a profound movement in our culture to Christianity and many people accepted God's gift of faith in Jesus Christ. Yet many existing believers rejected them because they looked different, worshipped differently, and openly professed their love for Christ. The reigning powers of our culture quickly labeled them as "Jesus Freaks." This is not the first time people, who have accepted their faith in a way different than the accepted "normal" way, have been rejected. We have all heard the terms for Christians that don't fit the cultural mold: Bible Thumper, Born-Again Christian, Evangelist, Holy Roller, Shaker, and Religious Nut or Fanatic. These words have been twisted and formed to put down people who embrace faith in Jesus Christ. And that is where we return to the beginning.

"How do we go and make disciples of all nations?"—when being a disciple of Christ may put us on the receiving end of these derogatory terms. I guess we must ask ourselves, "Is the Kingdom of Heaven through faith in Jesus Christ more valuable than what people may think or say of us here on earth?" If we know Jesus, we know the answer to that question because Jesus said, "Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven. Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. Rejoice and be glad, because great is your reward in heaven, for in the same way they persecuted the prophets who were before you" (Matthew 5:10-12). So let us shake, let us dance, let us sing, let us share, and let us proclaim our faith and bring others to Christ because our reward is guaranteed by living and believing in him.

As we enter September, our first order of business is a joint Mission/Christian Education event. The Sunday School Kick-Off/ Community Picnic and Ice Cream Social will be held on Saturday, September 6th. This year there are new games, great food, awesome music provided by our own Christian DJ, Makayla Schluter, and of course ICE CREAM! I hope that all of our members will invite a neighbor or friend to join us as we begin our new program year. The next day Sunday School begins at 9:00 am and our worship services return to their 10:15 am time slot. We also have a new confirmation class that begins the next leg of their faith journey on Wednesday, September 17th. There is always more going on, but you will have to check our weekly calendar in our worship bulletin on Sunday. See you in church

Grace and peace,

Pastor Steve

"For the Beauty of the Church"

"We would like to thank members of the church- Bonnie Kintzel, Pete Johnson, Donavon Freese, LeRoy Luepker, Duane Lasack, Merlin and Carma Conrad- who helped us trim shrubs, pull out an older larger tree and shrub, pull weeds and clean up the landscaping in front of the church. Thanks also to the person or persons who trimmed the 3 bushes on the east side of the church earlier this year. Because the bush and a tree had grown so large and were hard to trim and maintain they have been replaced. The bush to the west of the front steps has been replaced by 2 Rose of Sharon bushes and the tree at the southeast corner has been replaced by a Lavender Twist Weeping Redbud.

Again ~ big thanks to those who helped and anyone else who stops to pull a weed!

Janice Strackbein and Terry Lasack
