FEBRUARY 2015

VOLUME 88 NUMBER 2

Greetings Sisters and Brothers in Christ,

Each year I write a year end pastor's report\* in the Annual Report and I know that many of our readers do not have an opportunity to read that article. So this year I have decided to share my year-end report with all of our Herald subscribers as my article for February.

\*2014 is now officially part of Zion United Church of Christ's history and with that where do I begin. In the past year we have revealed to ourselves and others that we are a living community in Christ. We have continued to reach out into Lowden, Cedar County, the State of Iowa, the United States, and the world. By supporting this church, our community has benefited greatly. As individuals and as a community we have given generously to the food pantry, the Christmas Bell Program, Camp Courageous, emergency aid for snow storm victims in New York, and help desperate children in the world have a chance to grow up with food, water, shelter, clothing and education. Those are just some of the ways the Zion community has helped bring worldly and divine salvation to people in the world. That is what we are to do as apprentices of Jesus Christ. So let us rejoice in what has been done and hope that 2015 will give us the opportunity to grow in our outreach and assistance so that more may have the life they deserve and come to know our Lord and Savior, Jesus.

In 2014, I continued to be blessed by God through you as we continued our faith journey together. You see, a pastor is just one part of a Christian community. They are

important, but the community is the true heart and soul. It is from the community that hands burst forth and do God's work. Whether that is preparing and serving a meal or fixing the church bell so it doesn't fall through to the basement. It is from the community that hearts join to support the family who has lost a loved one. It is from the community that support is given so the Gospel of Jesus Christ may be proclaimed and lived inside and outside of the church walls. Our community is a strong community and our community continues to grow in its faith. We must be challenged to grow so let us accept the challenge and continue to develop our talents in faith, so we may all be the best apprentices in Christ that we can be.

In 2014, the Zion Choir and Bell Choir continued to offer their joyful music in our worship services. Thank you Joy Combs, Terry Lasack and all our choir participants.

Our Senior High Fellowship continues to offer our youth a connection to the Zion community. Thank you SHF parents for your support and guidance and thank you SHF members for continuing to be a part of this living community in Christ.

Our Evening Circle who performs so many important functions for our community and brings the words and actions of Christ to life as they support the Christian life at Zion. Thank you to all your members for giving us a bright example of how to live in and support Christ's ministry.

Our Christian Education department carried on a great Zion tradition by offering the best quality teaching program about God and they continue to reach outside the walls of our church through the Zion Youth Club, "Mission of Hope" with Red Roots, outdoor events, and offerings dedicated to

helping people everywhere. Thank you Kelly Nabb, our teachers, our youth, and our community for leading, supporting, and participating in the future of our Christian youth.

Our Music and Worship Committee was an important part of our worship of God by supporting and participating in our worship services. Thank you to all the members of the committee.

Our Mission Committee continues to grow in Christ. They hosted the End of Summer Picnic and Ice Cream Social to support local missions and they plan to expand their fund raising efforts in 2015. Therefore, they have added two members to the committee to help support their increased activity. Thank you to all the members for your leadership and time.

To all the Zion committees and groups who have throughout the 2014 year brought the light of Christ to shine on a variety of regular and special projects like the refurbishment of the organ, the decorating of our church for Christmas, reallocation of endowment funds, water drainage to help prevent future flood damage, preparation of reports and financial documents for the annual report, recording and storing the history of Zion and making the calls to fill the positions on these committees, Thank you! This is not a complete list, but it does reveal more of this living community in Christ.

My wife, oh yes, I must thank Jean for many things. Thank you for all that you do for me and our community in Christ. And special thanks for all you did to make our reenactment of the Lord's Supper on Maundy Thursday a great success.

In 2014 we tried some new things and we continued some of our deepest traditions. We shared laughs and we shared tears. We agreed and we disagreed. We loved and we wanted to love. The most important thing in 2014 is that God was with us. God laughed and cried with us. God agreed and disagreed with us. God loved us

unconditionally and that is one attribute in our lives we all can grow in. In 2015, let us continue to step outside the box and find new ways to grow in our love and service to God and in our love and service to each other. It is our growth in love and service which truly defines us as a living community in Christ. So let us love God and each other so that 2015 will be an even greater year, filled with GREAT JOY in Jesus Christ!

Grace and peace,  
Pastor Steve
