Greetings Sisters and Brothers in Christ,

The month of February bring with it the beginning of the Lenten season. Let us prepare our hearts and minds as we engage God in a close and personal way.

As I did last year, my article for this month's Herald will be the pastor's "Annual Report."

Greetings Sisters and Brothers in Christ,

How do we look at our history? Do we look for accomplishments? Do we look for our failures? Do we look for advancements that challenged our openness to change? Do we look for times when we chose to go back to something safe and comfortable? I hope that we look at all these things and many more as we look back into the history we shared as we continued our ministry in Christ during 2015.

One of the many gifts God has given us by being created in God's image is the ability to remember and share our memories. And God wants us to do just that! We are to share the hopes and fears that we have experienced. We are to talk about the history that caused us to love and hate. We are to gather and remember the times we lifted our praise and adoration to God for the wondrous gifts we have received. We are to share our laments for the times we failed and for the times we shared the loss of loved ones. We are to remember as we prayed together for our loved ones and for people we have never met. How we remember and share 2015 will certainly shape our 2016, and that my sisters and brothers is truly part of God's hope for us. So first let us take a look at 2015.

During the year, Zion continued to support our local and world communities through the North Cedar Break Milk Program, food pantries, rescue missions, homeless shelters, our local Nursing Homes, the Christmas Bell Program, the CROP Walk, local emergency assistance, children's missions, flood victims and all five of the United Church of Christ's special missions. One of our brightest stars of 2015 was breaking out the checkbooks and sending 16 of our youth to camp during the summer.

Last year we explored new hymns and we cuddled with our favorite oldies. We lifted our voices high with joy, and we quietly prayed for hope. We witnessed the beauty of music as the combined choirs of Zion and St. John's presented a spectacular cantata, "Mary Did You Know?" We huddled in darkness as members and pastors imparted a chilling Good Friday remembrance. Those were just a few of the memorable moments in our ministry for Christ in 2015.

So now let us turn to 2016 and embrace the hope God envisions for us and the ministry Jesus expects us to develop as we continue our faith journey in his

name. To that end, the church council has approved a special supper program where all members of our congregation will be invited to gather in small groups as early Christians did; eating in fellowship, discussing God's direction for our community, discerning Christ's vision for Zion United Church of Christ in 2020 and charting a course that will lead us in that direction over the next five years.

"They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. Everyone was filled with awe at the many wonders and signs performed by the apostles. All the believers were together and had everything in common. They sold property and possessions to give to anyone who had need. Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved." (Acts 2:42-47)

I hope that all of our members will accept their invitation to dinner and take part in forming our interpretation of God's vision of Christ's ministry at Zion United Church of Christ. May God continue to bless us in 2016 so that we may be a blessing to others.

Grace and peace,
Pastor Steve

Spring Dinner News

Brothers and Sisters in Christ,

The Spring Dinner Committee is in full preparation for our annual event. In the spirit of fellowship, we invite all of you to participate in this great mission of Zion Church. This long standing tradition is your opportunity to gather as one body in Christ joining together in word and action to do God's work for the Church.

As in the past a sign-up sheet is posted in the narthex for you to choose one or more ways you may participate or sponsor this event. Perhaps you can make a food item to share, or find a job suited to your abilities or maybe a monetary donation to help offset the cost of the meal. However you choose to do God's work for the Church and for this mission, remember it is in the spirit of love and fellowship that brings us together as one body.

THE DATE FOR OUR MISSION, THE SPRING DINNER WILL BE HELD ON SUNDAY, APRIL 3, 2016.

Please call on your Brothers and Sisters in Christ and share the good news. Each Christian has a job to do, a role to take, and/or a contribution to make. One assignment may seem more spectacular than another, but all are necessary to carry out God's plan for his church and his world. Be available to God by offering your gifts to God's service. Then, as you discover what God calls you to do be ready to do it.

We thank you in advance for your work and we will communicate further as we approach April 3rd,

The Spring Dinner Committee

ZYC NEWS FOR 2015

What a year we've had!! Now that I'm doing end of the year statement, I'm quite proud of our group. With our ZYC Redwheel income we were able to pay \$800.00 for the children to get to go to Pilgrim Heights. We paid \$150 toward a benefit of a cancer patient, and still we support our child in Lebanon with \$30.00 a month.

We started our year off in the park with 20 children. We had a picnic, scavenger hunt, games and we also "cleaned" the park by picking up trash that did not make it to the waste basket.

Our time is 4:00 to 6:00 but most children are here at 3:30, usually "starved". Heather Easterly is helping me this year. We are doing snacks together. She is the mother of Milo and Joslyn. Her husband Josh helps with vacuuming and picking up.

Trish Reginnitter will also help when she has time. Our two other helper are still Makayla and Maddie Cornelius. Usually all hands are needed. We do have around 18-20 each time.

Our "lock-in" was cancelled because of the only snow storm so far. Seems I picked that night. We will try again this new year. Look our for Valentine Dady, the kids are planning something for you!!

Thanks Sig and Heather

The Missions Committee met Sunday, October 4, 2015 following church services. Members in attendance were Linda Behrens, Carmen Fields, Tanya Stewart, Beth Kahl, Marlene Wiedenhoff, Mary Huffman and Rev. Steve Stepp.

Pastor Steve opened with a prayer.

Linda called the meeting to order and noted that Jessica Coppess will also be joining our committee.

Minutes from the previous meeting were read and approved.

Our current balance is \$6,352.03. Linda noted that we have two CD's and asked if we should cash in the smaller CD to supplement the fund. Following a brief discussion, it was decided to wait until we actually need additional fund before cashing it in.

It was moved by Mary and seconded by Tanya to reimburse OCWM and to add the Zion Mission to the envelopes, if that's possible. Motion carried.

Discussion was held regarding holding a chicken and noodle and chili soup luncheon. February 21 was selected as the date. Linda will check with Little Home Daycare and the Fire Station to assure there are no conflicts. We will

meet at the church at 9:00 on the 20th to make soup and set up tables.

OGHS

When the Apostle Paul visited the early churches in Macedonia, they became excited about the ministry opportunities he laid before them. These early followers of Jesus couldn't help but get caught up in Paul's contagious zeal for the ways God was working in their midst. So much so, they actually pleaded to be a part of the "service to the saints" that Paul spoke of while visiting their community—even though they were themselves living in poverty. This "ministry to the saints," referred to in his Second Letter to the Corinthians is another name for the offering Paul and the early churches were organizing for those in distant Jerusalem who had been suffering as a result of a devastating famine. The offering was considered a ministry whereby they expressed their religious conviction. They were answering God's spiritual calling by living in Christ's faith.

To organize a church-wide offering as a relief fund was a visible expression of their Christian unity. This offering was a way for Paul to model the unity of all believers and to provide a way for them to care for one another even if they did not know each other personally. For the churches in Macedonia and Corinth this offering was a concrete representation of the Gospel, that in Christ there truly was no longer Jew or Greek, slave or free, male or female, rich or poor. There was no longer separation or division; there was instead unity in Christ.

This year on Sunday, March 6th, you can make a difference in the lives of many by giving to "One Great Hour of Sharing." God bless you!
