“The color of Grace has much more clarity on the canvas of Chaos.”

Rev. Michael Boadi Nyamekye

Greetings Sisters and Brothers in Christ,

The month of March can be a challenge to our human nature as well as “mother nature.” With its unpredictable weather and radical swings in temperature, March can be quite exhilarating. March can bring an 18 inch snow storm and the next day it can be 60 degrees with bright sunshine. Many meteorologists say it is the hardest month to forecast because of the radical and chaotic changes in temperature and climate. This reveals the unpredictable nature of God’s creation.

Just like nature, we can be quite unpredictable ourselves. One minute we can be having a joy-filled time with family, and the next, we can be arguing over the most trivial of things, or we can be laughing with our friends at a joke and in an instant, we can be filled with anger when that joke is taken to far. That is where the season of Lent comes in.

Traditionally in the season of Lent we are called to self-examination. We’re invited to take a deep, honest look at ourselves and try to see our lives as God sees them. We can ask questions of ourselves. “How do we spend our time and gifts that God has given us in this life?” “Are our relationships guided by the love we witness in person and work of Jesus Christ?” During Lent we are given the opportunity to learn how to stabilize our faith driven life by building it on the faith of Jesus Christ. Jesus’ faith driven life is shown by both words and actions as he teaches, provides for and heals the people God loves throughout his ministry. It is a faith which God calls us to participate in as we live each day in the promises of forgiveness and eternal life.

The point of this is not to dwell on our mistakes and transgressions which often is the cause of our chaotic relationships, but to ask for forgiveness of our sins from God and from those we have sinned against, and to give forgiveness to those who have sinned against us. The giving of forgiveness is a gift from God through Jesus Christ, both to us and by us. Through this gift, we are able to see with new eyes the wonderful goodness of God and all people. Then, with the knowledge of our mistakes and the knowledge of our forgiveness, we are able to move forward in our lives with a new vision in Christ; a vision that is supported and strengthened by God’s guidance and love. Therefore, let us rejoice in the knowledge that forgiveness in Christ restores our relationship with God and calls us to restore our relationships with each other. When we take that big step in faith, we chip away at the chaotic nature of our relationships and truly begin to build a community in the Kingdom of God. I invite everyone to join me in reading the book of Romans this month.

Finally, the month of March is a busy month for the community of Zion. Planning for the Spring Dinner, weekly Lenten services, committee meetings, and Confirmation combined with our own work and family responsibilities fill our days very quickly. I hope and pray that we all take time each day to just “be with God” and feel the wonderful love and peace we have in Christ.

Grace and peace,
Pastor Steve

One Great Hour of Sharing Offering March 22, 2020

It is easy to feel overwhelmed when we look at all the areas of need in God's world: there is hunger, sickness, and injustice in so many communities. It is easy to feel there is nothing we can do to help. We feel trapped by hopelessness and fear that what little we can do-won't have an impact.

But there is Hope! Better yet: we are that hope!

We cannot only care about those around us both near and far. Our gifts become part of a loving legacy in ways we can't expect. We can make a difference beyond what we can imagine. Make a donation by using the enclosed envelope and returning to the church and placing them in the offering plate of giving to the office. Thank you for bringing hope to the world.

Father Daughter Dance 2020

This years' 3rd Annual Father Daughter Dance was a huge success thanks to the hard work of event coordinator, Heather Easterly and her family, Jean Stepp and everyone who attended! We started the night in prayer, thanking God for all the wonderful dads, granddads and uncles who took the time to spend with their daughters, nieces, and granddaughters. Sundstop provided the pizzas again for us and all were enjoyed. For dessert everyone really had a great time at the chocolate fountain dipping bananas, strawberries, cookies, marshmallows and yes, cupcakes too! Thanks to our DJ, Taylor Tunes, who donated his time again this year. He did a fantastic job as everyone danced, hopped, jumped and swung to the music. The night ended with a father daughter dance off and that was totally fun to watch. We took a group photo before we ended the night. Photographer Rachel Peek from Country Life Photography was with us again this year and everyone got a picture to capture their memories. If you missed out this year, we hope to see you next year in February 2021!
